Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-020-14729-8>, published online 20 February 2020.

The original version of this Article contained an error in Fig. 3g, in which the text under the right bracket read "14 dpf-HP fed zebrafish", when it should have read "14-dpf". This has been corrected in both the PDF and HTML versions of the article.
